UPCOMING FAIRS

Chico, CA

May 11, 2002
Manzanita Place

The Fair returns to Manzanita Place in Chico. Chico is a vibrant town just off the I-5 corridor, 85 miles north of Sacramento. It boasts a large and growing university as well as an enthusiastic and open-minded community.

Manzanita Place is a comfortable setting for the Fair. The hosts are quite pleasant and accommodating. The building has everything necessary for an enjoyable event, including easy access, tons of parking, a relaxed atmosphere, and a beautiful park-like back yard.
